## Čebelce

Pridne moje čebelce,  
ve delate kakor drug nihče.  
Zaradi vas mi živimo,  
ker pridno delate kakor drug nihče.

Iz cveta na cvet,  
ker brez vas izginil bi naš svet,  
ker ve delate naš med,  
ki ozdravi led.

Ker ve delate naš med,  
ki ozdravi prav vsak led.
